September 23, 2026, B E L G R A D E

Workshop Program

The Workshop will include lectures delivered by foreign and national scientists in the form of *online* oral and poster presentations.

The following tentative topics will be covered during the Workshop:

- A. Specific methods in food quality control
- B. Food safety
- C. Drug Safety
- D. Functional food

Deadlines

Registration **15.06.2026.**

Submission of papers **15.07.2026.**

Publications

The papers will be divided into oral presentations and posters. The Scientific Committee retains the option to decide on the presentation form (oral or poster) based on the number of registered participants. The papers should be submitted electronically by e-mail (food_vin@vin.bg.ac.rs) before **July 15, 2026**. The publication in the Workshop Book of Abstracts cannot be guaranteed for papers received after that deadline. Extended abstracts are limited to four pages, while submissions from invited lectures may be a maximum of eight pages. All contributed papers accepted for the Conference, will be published in the **BOOK OF PROCEEDINGS**, which will be distributed to participants only in electronic form.

For complete information about paper preparation, please see the attachment Instruction for authors:
